REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Woodland Elementary School is fully accredited by the AdvancED Accreditation Commission and serves 1140 students in grades pre-kindergarten through fifth grade. We are the third largest elementary school in our school district and serve a diverse population from a large number of cultural backgrounds. Each member of our professional teaching staff is highly qualified as defined by No Child Left Behind. Nineteen of our teachers are National Board Certified and forty-nine hold Masters Degrees or higher. Our teachers work diligently to provide learning experiences that engage students in creative, rigorous, standards-based learning experiences that enable them to achieve to their highest potential. In addition to providing a standards-based curriculum Pre-k through 5th grade and utilizing BEST Practices in our instructional program, Woodland continues to promote student achievement through the integration of technology and the arts. Additionally, our staff regularly analyzes student achievement data to make necessary adjustments to the instructional process that will support success for every student and meet the unique learning needs of our children. Woodland Elementary received an 'A' rating on the annual School Report Card issued in the fall of 2012. In March 2013, Woodland was recognized as a GOLD AWARD winner in the areas of overall student achievement and in closing the gap by the SC State Department of Education for student performance on PASS 2012 (Palmetto Assessment of State Standards). Woodland is one of only five schools in our district to receive a GOLD Award in both categories and one of 25 to earn an "excellent" rating in Absolute and Growth categories on our State Report Card. We are extremely proud of the progress our students have made and are most appreciative for the hard work of our teachers, staff, students, and their parents in our efforts to meet the learning needs of each child. Moving forward, our challenge is to refine our implementation of effective instructional strategies in order to sustain our progress and meet the unique learning needs of our children as we continue to increase student achievement. Our Parent –Teacher Association (PTA) and School Improvement Council (SIC) are involved in key ways at Woodland. Both of these organizations continually explore improved ways to recruit and retain parents and volunteers. We believe that utilizing the skills, talents, and abilities of our parents and volunteers further enhances our total school program effectiveness. Creating an environment and providing opportunities that welcome and engage parents as partners is crucial for our continued success. The financial support, commitment to volunteer hours, and creative problem-solving abilities of our parents and volunteers enable us to enjoy access to opportunities that would not be possible otherwise. As a school family, we share a vision and belief that every child can achieve to their maximum potential if provided opportunities, support, encouragement, and love. We remain fully committed to that vision.
